

Kitchen

Our large fully EHO registered commercial grade kitchen is available to rent by the hour, half day, full day, or weekend. We also offer monthly flexi-passes for regular users. Benefit from a professional kitchen for less cost than setting up or managing your own. This kitchen is perfect for delivery catering, batch production, or even pop-up food events.

Benefits and equipment include high power induction, deep fryers, ovens, naan oven, food mixers and blenders, large prep. area, cold room and ambient storage, dedicated pot wash area, loading area and vehicle access, and high-speed broadband.
